Blended Frozen Coffee

by Sydney Halle

Simple iced blended coffee made with frozen coffee-milk ice cubes. (Daddin by Sydney)

Ingredients

- Brewed black coffee
- Milk
- Cream or sweetener (optional)

Method

1. Mix equal parts brewed black coffee and milk.
2. Pour the mixture into an ice cube tray and freeze until solid.
3. Put the coffee ice cubes into a blender.
4. Add milk to your desired consistency.
5. Add any cream or sweetener you want.
6. Blend until smooth.
