Dad’s Dad’s Hot Chocolate (in a mug)

by Ryan and Amity Heyborne

Dad (Donnie Dale) says that his dad used to make this. He wrote the directions out for me (Amity) to read and make with my kids.

Ingredients

- 1-Put a teeny bit of water (not a teeny-weenie bit) in a cup
- 2-Heat the water in the microwave (not the toaster).
- 3-Mix 2 heaping spoonfuls of sugar (not flour) and 1 heaping teaspoonful of cocoa (not nutmeg) into the hot water.
- 4-Fill cup with milk (not orange juice) and microwave to heat to taste.
- 5-Drink (don’t eat)!

Method
